The **Council of Samastha Women's Colleges (CSWC)** was established in 2019 under the Samastha Kerala Islam Matha Vidya-bhyasa Board (SKIMVB), as a flagship educational initiative of the Samastha Kerala Jam'iyyathul Ulama.

CSWC is a pioneering system dedicated to the holistic intellectual empowerment of Muslim women. It aims to nurture competent, confident, and enlightened scholars by integrating high-quality traditional Islamic education with modern scientific knowledge and contemporary subjects.

The Council focuses on preparing students not only for academic excellence but also for effective and permissible roles in Islamic propagation (Da'wah). Special emphasis is placed on equipping them to fulfill their responsibilities in personal, family, and social spheres in accordance with Islamic values and principles.

Upon successful completion of the two-year program, students are awarded the **Fadhila** degree. Those who complete an additional three years of advanced studies are conferred the prestigious **Fadheela** degree.

The head office of CSWC is presently located at the SKIMVB Board Office, Chelari, Thenhippalam, Malappuram, Kerala.

To provide a holistic and transformative education that harmoniously integrates Islamic, spiritual, and moral values with modern scientific knowledge and contemporary disciplines, nurturing competent, confident, and responsible scholars while empowering women to contribute meaningfully to society and to ethical and permissible fields of Islamic propagation.

- ✔ To provide balanced physical and religious education rooted in Ahl ul Ssunnah Wa al Jama'ah.
 - ✔ To promote a spiritually enriched and disciplined student life.
 - ✔ To train students to convey Islamic teachings responsibly and effectively.
 - ✔ To develop talents through diverse extracurricular activities.
 - ✔ To support the growth of strong, value-based families and communities.
 - ✔ To build ethical awareness and critical thinking to face modern challenges with confidence.

Chairman's Message

"He gives wisdom to whom He wills, and whoever has been given wisdom has certainly been given much good, and none will remember except those of understanding. (1:269)".

Education is the process of imparting knowledge, skills, morals, and culture. By educating girls, we can maintain Islamic consciousness in families. Along with that, if it is possible to provide physical education, it will be possible to mould a generation that is capable of facing the challenges of the times. The Council of Samastha Women's Colleges is putting forward this type of educational project.

The system aims to train a society that has acquired both religious and physical knowledge that is firmly rooted in the ideals of Ahl ul Ssunah Wa al Jama'ah.

Let parents and students come forward to choose this mode of education to achieve mutual success along with quality.

MT Abdullah Musliyar
Chairman, CSWC

Convenor's Message

Fadhila, Fadheela Courses are religious and arts learning system which started in 2019 under the Samastha Kerala Islam Matha Vidyabhyasa Board, dedicated to the community with an unequal educational model.

This is a 2+3+2 year educational project based on the concept of Ahl ul Ssunah Wa al Jama'ah under the supervision of the Council of Samastha Women's Colleges. CSWC adopts a curriculum that provides a combination of religious and arts degrees for girls who have passed Madrasa 7th Standard and SSLC. A generation of Islamic culture with moral awareness can be molded by adopting the all-female education system, which can set an ideal Muslim woman as a role model for society. We should be able to educate our offspring by understanding the purpose and meaning of this course, which gives us a sense of responsibility and an understanding of duties and responsibilities.
